**“The photograph is an undeniably powerful medium. Free from the constraints of language, and harnessing the unique qualities of a single moment frozen in time.”**

**– Steve McCurry**

**“My aim in photographing a particular place is to tell the truth about what I see. My photography is based on my aesthetic and my experiences, and is not influenced by who I think may be looking at it some-time in the future.”**

**– Steve McCurry**

**“I can’t think of anything more important than documenting the forces that impact the people on our planet. Photography like painting, literature or sculpture, should be characterized by freedom and artistic expression.”**

**– Steve McCurry**

**“A picture can express  
a universal humanism,  
or simply reveal a delicate  
and poignant truth  
by exposing a slice of life  
that might otherwise pass  
unnoticed.”**
